

Five Dock All Saints Netball Club

FDAS Jon Fletcher 'Coaching for Coaches' Sessions

Jon Fletcher has over 20 years national experience as a coach, trainer and educator who has previously conducted player and coaching clinics for our club.

Jon currently presents coaching sessions and presentations right throughout Australia across a number of different sporting codes, for clubs, teams and coaches. We are very fortunate that through our fundraising the FDAS club has arranged for Jon to present two coaching work shops for all our FDAS coaches. These sessions are truly an opportunity not to be missed. Please mark them in your diary. The educational session will lay the groundwork for the practical session and therefore both are essential to attend for maximum benefit.

Educational Session
