

Five Dock All Saints Netball Club

Netball Gala Day competition - Saturday 19th March 2016

Hello everyone

The 2016 season is rapidly approaching and a great way to start the season of then with a Five Dock All Saints Gala Day !

OBJECTIVE

The objective of the Gala Day competition is two-fold:

1. to have fun playing netball and having a run before the season starts
2. a way for the Club to raise funds for ongoing expenses during the year

GALA DAY COMPETITION

- Players are to wear their Club uniform, and umpires (Managers, Coaches, Parent/Carers etc) will umpire the matches – remember these games are played in the spirit of “fun & friendship” ... so it’s ok if some calls are missed by accident.
- Teams will be grouped into pools (of similar age and ability).
- Teams play all other teams in their pool in a Round Robin format.
- Players may be substituted at any time.
- The Round Robin draw and court allocations will be emailed to the team Coaches and Managers closer to the date as well as uploaded onto the club’s website in the “Downloads” main menu, “FDAS Gala Day” sub-menu.

Date: Saturday 19th March 2016

Time: First game starts at 8.30am – The day should conclude by about 12.30pm

Venue: Cintra Netball Courts, Crane Street, Concord

Bring: Water, light snacks, sunscreen

There will be a sausage sizzle with a free sausage in a roll and drink for all participating players.

FUNDRAISING

- FDAS is a non-for-profit Club run by a small volunteer group of parents and volunteers. One way the Club tries to keep registration costs down, and meet the expenses for the season (eg. umpire fees, equipment, and uniform items) is by fundraising. So we really need everyone’s help and assistance to make this Gala Day a success.
- Each of the players is asked to find sponsors (family/friends/neighbours) for a **gold coin donation**. If we can get each player from all the teams to get 10 or more sponsors at \$2.00 (or more) per sponsor we will raise a sizeable sum.
- **PRIZES – Will be awarded to the players that raise the highest amount of sponsorship funds for FDAS.**
