

## National Netball Day

A message from our Ambassadors, Laura Geitz, Lisa Alexander and Sharelle McMahon

*On Saturday 31 May, in partnership with Netball Australia, we will celebrate the first ever National Netball Day.*

*National Netball Day is dedicated to recognising and celebrating the netball community.*

*We're calling on you, as members of our Netball Nation, to show your pride and get involved in National Netball Day. Taking part is easy, and no level of participation is too big or small. And make sure you upload your photos using the hashtag [#nationalnetballday](#)*

*Happy National Netball Day!*

## Wear something blue

*Yes, it's as simple as that!*

*On National Netball Day, make sure you wear something blue to mark our special day.*

*Blue ribbons in your hair, blue nail polish (on trimmed nails of course), blue socks or even blue face paint – get creative and help mark our special day.*

*Be sure to snap a photo of yourself or your team wearing something blue and post it on social media with the hashtag **#nationalnetballday** for the chance to WIN great Netball Nation prizes.*

**#nationalnetballday**

## National Netball Day activities

Whether it's a small event with your team, or something involving the entire Association, National Netball Day is about bringing the netball community together and celebrating everything we love about the sport.

**If you're an Association, here are a couple of ways to get involved;**

- If you have a competition playing on Saturday 31 May, decorate the Association club house in blue! Blue balloons, streamers and posters will ensure everyone knows your celebrating National Netball Day!
- Host a National Netball Day BBQ or morning tea. Associations with a long history may take the opportunity to invite past players, coaches and committee members as special guests to connect with younger members of the club. You could even use this as a way to raise funds for your club.
- Host an exhibition match with parents VS kids or representative teams for clubs to watch
- Organise a small coaching clinic or demonstration by senior members of selected clubs

## National Netball Day activities

If you're a team looking to get involved in the fun, here are some suggestions:

- Gather the team at one member's house to watch the ANZ Championship, or your favourite Aussie World Championship win!
- If your team is playing on the Saturday, arrange to bake or bring something delicious to share after the match.
- Host a National Netball Day party – play a social game with friends at a local court, followed by a BBQ or picnic.

## Win great prizes!

Get involved in National Netball Day for your chance to WIN great prizes, thanks to ANZ.

Be sure to capture your National Netball Day involvement, no matter how big or small, and post it on Facebook, Instagram or Twitter and hashtag **#nationalnetballday**

You'll then be in the running to receive netball equipment and more!
